

HOLIDAY AFFIRMATIONS

I am so thankful to live this life

I spread a message of love and joy to everyone I meet

I love to give and receive love

This will be a great day

I make sure every day is filled with joy

I am so freaking blessed

I love and accept every part of myself

I forgive myself for past mistakes and I'm ready to let it go

Things are always working out for me this time of year

My future is bright and I'm so excited about it

My joy is contagious and I spread it to every damn person I meet

I am un freaking stoppable

I choose appreciation over frustration

My home feels loving and warm

There is so much beauty around me and I have so much to be thankful for

I have everything I need

I have an unlimited amount of love to give and share

I am so blessed to live this life

I'm so glad for the good energy of the holiday season

Good things ALWAYS happen to me this time of year

Everyone around me feels peaceful and loved

I have so much to celebrate

I feel the unlimited loving spirit of Christmas

I am so freaking loved and appreciated

Creativity always flows to me this time of year

I freaking THRIVE during the holidays

The holiday energy makes me unstoppable

There is an unlimited amount of good energy all around me
